

The Exchanged Life Workbook
An Invitation to Triumphant Living
By Johnie Grainger and Donna Patterson

The Exchanged Life workbook builds a firm foundation for comprehension of the exchanged life. Each chapter builds from God's perfect plan to God's perfect man and our union with Him for LIFE, LIBERTY and VICTORIOUS LIVING. It is discipleship/counseling tool designed to be used individually, in Sunday school or in a small group.

Another Book By Johnie Grainger:

AIDS

AAccepted in my
IImperfection,
DDelivered from my
SSin and shame

A Mother's Inspiring Story of Her Son's Triumphant Walk Through the Valley of AIDS

AIDS is a passionate story of rebellion meeting head on with unconditional love. It is a story of God's agape love—acceptance, deliverance, and restoration as experienced by Tim and his family. It is a must reading for all who have strayed as a prodigal and for all who have prayed for a prodigal.
